Bobbie Lee

Donnie Lee is a musician, songwriter and the music director of CSL Southern Nevada. His experience as a licensed and

board certified music therapist allows him to effectively use music to support healthy thoughts and emotion. His passion for music began in his childhood, coming from a family of musicians, as he learned to sing and play bass guitar. Donnie studied music education, composition and music therapy at West Virginia University learning multiple styles of music and applying music in diverse spiritual settings. With his primary focus and application of music therapy now being mental health and recovery, Donnie seeks to expand the application of music as a healing modality to support an awareness of love and wholeness for people from all walks of life.
