Love Thy Neighbor

Peace in the world starts with us. To truly create a world that works best for everyone, we must ensure that everyone's voice is included. We must make space in our lives and our communities for people who think differently than we do. When we surround ourselves with people of all ages, races, sexual orientations, political affiliations, spiritual beliefs, cultural backgrounds and life experiences, we expand our own understanding of love. Living by example and loving each other, regardless of our differences, is a beautiful way to create a peaceful world that works for all.

Upcoming Opportunities

Are you interested in contributing to your CSLSG community in a meaningful way? You are invited to consider these two upcoming ways to contribute to our unfolding future:

* **Bylaws committee** - We will be forming a short-term committee to refine and update the bylaws that govern our Center, in alignment with principles and current practices.

* **Core Council** - By state law CSLSG's Core Council can have 5-7 members. We currently have 5, two of which are ending their second terms in January. We will at least need to add two replacements; and we are considering expanding to a full contingent of seven. We invite you to seriously consider applying to serve on the Council, which is the leadership team, including Rev Joe, that keeps all things moving logistically, financially, etc. Terms are three years and members can serve a maximum of two terms. Foundations class is required; sign up for above class if you have not taken it previously.
