Special Note: Starting Jan 1, we will no longer begin service with meditation. We will begin the livestream at 10:55am with announcements and the video of our last social gathering -- service will begin as usual at 11am. We made this decision to curtail meditation for a time because it appears that we are not reaching folks with this activity. If you have comment or feedback

CSLSG Senior Minister Reverend Joe Kovach

The Universal Voice

As God is, so I am. This is one of the fundamental truths of our teaching. Each one of us is divinely connected to that One Source – that one Divine Intelligence. Traditionally, our teaching has focused on the power of the individual. This has led some to criticize us as being self-centered and unconcerned with our neighbors. Holmes spoke very clearly that as I am, so we all are. Our goal is to realize not only our own individual power, but to see and work in concert with that same Power that exists in and through all souls we meet.
