**Living Out Loud!
Light Within the Shadows
Unlearning the Fear of Darkness
Week of May 14th**

People are like stained-glass windows. They sparkle and shine when the sun is out, but when the darkness sets in, their beauty is revealed only if there is a light from within.

Unlearning the Fear of Darkness

We have likened darkness to evil for eons. We've been taught to fear instead of embrace the darkness. The darkness is the fertile space of creation, creativity, and the womb. The darkness gives birth to the light. In order to appreciate the beauty of the darkness, we have to unlearn the stigmas about it. What if we partnered with the dark instead of fearing, controlling, or labeling it? What if we held the unknown with wonderment instead of fear? These healthy shifts would help change our relationship to darkness and help us encircle the shadows and the light.
