Week of June 23 2024**

**We are surrounded by, and immersed in, an Infinite Good.
How much of this Infinite Good is ours? All of it!**

~ Ernest Holmes, Science of Mind

*June 23rd
Higher Heights*

Higher heights take us higher than where we are right now. We can't lift our vision and expectations with a downward gaze. We must elevate our vision upward, beyond the clouds, beyond the stars, beyond the rainbow to rise to higher heights. The infinite spectrum of Spirit applies directly to us. We have

unlimited potential and abundant resources at our immediate disposal. However, we first have to remove any hidden beliefs that tell us we don't, or can't, or aren't. We live in a bountiful universe of greatness that continually exposes us to higher heights if we're open to it.
