Our path ahead is unfolding in Joy, Gratitude, Connection and Love!!

June 25th Personalizing the Infinite

There are infinite possibilities waiting to be tapped. Everyone can be everything they imagined and more, if they only knew that they hold the key to unlocking their good. Personalization is taking ownership of the spiritual power that lies right inside you. Each one of us is responsible for allowing that spiritual

being to express through you, as you, and in you, so you can be a light-shower to others. Just like objects, we can also personalize the infinite possibilities of the universe and become who we ought to be.

Community Volunteer Opportunity

Our Summer Feeding Program got off to a start and we are finding that we need volunteers to help at each site. There are two in St. George in particular that we could use volunteers once a week, month, or whatever they feel they can offer us. The program runs from June 5th through August 11th 5 days a week.

UTAH FOOD BANK
SOUTHERN DISTRIBUTION CENTER

The task is really simple...our volunteers help us hand out lunches to the kids in the park and help us keep inventory on what is given out. They also interact with the families there and we bring extra food to be given out as needed.
