Giant Gentleness
Week of April 21 2024
Taking It To The Streets

Whenever you sit in front of water and send out messages of love and gratitude, somewhere in the world, someone is being filled with love and gratitude.

Taking It To The Streets

We are probably living in the most decisive time in human history. Or at least, it feels that way. We are inundated with media bias and more polarized opinions than ever before. And yet, fundamental to *Science of Mind* is Love. Love is the very essence of gentleness. So, this week we foster gentleness in three key areas of our lives to give us some perspective and breathing room.
