What We'll See Will Defy
Explanation

THIS CELEBRATION IS ONLINE.
Center Musician: Allen Stanley

What if we expected the great—no matter what the world looked like? This week we explore how belief and expectancy work together to shape our lives and defy limitations. We lean into joy and possibility, choosing to expect better of ourselves, each other, and the world. How might my life, and the world, change if I fully believe good is always unfolding, even in the face of challenge?

Fr. Mykel and St. George Orthodox Church invite you to witness the raising of the Dome on our new church building. Weather permitting, we are having a small prayer ceremony, nothing fancy, just an amazing opportunity to witness a moment in time of God's glorious future here in Southern Utah. This huge dome will be lifted to its resting place above the Nave of the church. Bring your coffee and wear shoes that can walk on a construction site.

We ask that you don't be late, as we don't know how long it takes to raise the dome and it would be a shame to miss it. Parking is available onsite.

PRAYER REQUESTS:

Our Practitioners are available for a moment of prayer online.
