January 21st Guest Speaker
Reverend Veronica Silva
It's a New Life

The universe has a tendency to laugh at our plans. Life can seem to get in the way of our dreams. How do we bring a grand rising into the rest of our lives, beyond the disappointment, discomfort, and perceived failure? By staying present and trusting the Divine. Every challenge being thrown at us shapes us into the people we're meant to become. The faith that we bring to challenges helps to build a faith muscle that allows us to overcome anything. Faith turns any impossible situation into a triumph. Let's remember that Spirit is by our side throughout the journey, always conspiring in our favor.

We are delighted about the return of Rev Veronica Silva to our community this week. A little reminder about the Reverend:
Rev. Veronica Silva, RN, MA, BSN
Staff Minister, Pacific Coast Center for Spiritual Living

Veronica has been a Science of Mind Practitioner since 2003 and became a Licensed Minister in October of 2020. She completed her Masters Degree in Spiritual Consciousness from the Holmes Institute of Consciousness Studies in 2021. She is a Staff Minister at Pacific Coast Center for Spiritual Living in Seal Beach, CA. Veronica is a strong believer in prayer and she loves praying with people and seeing the results of prayer manifest as life Itself. Veronica has also been a yoga instructor for over 20 years, and was the previous owner of FreeSpirit Yoga in Long Beach, Ca.

Veronica is most proud of becoming a registered nurse 15 years ago. She served as the Charge Nurse on the COVID Unit in 2020 and 2021. It was the most challenging time that Veronica has faced on her Science of Mind journey. She could not have made it without her meditation practice and many spiritual tools she has picked up along the way.

Her favorite things to do are pray, snow ski and laugh with her friends and family.

Veronica's motto: "When you can see God in everyone and everything, life becomes magical."

four grown children and three beautiful grandchildren.

I have been a Utah resident since 2021 and live in New Harmony UT in a home I designed and built. The teachings of Science of Mind have been instrumental in my life since 2012 and continue to be a source of inspiration and living. I earned my Religious Science Practitioner license in 2021 and continue to serve in that capacity.
