September 24th
Love Wins!

We are changing the world by leaning into love. Advocating for ourselves and each other's right to express love in our own unique ways helps to create a world that works for everyone. Regardless of what challenges we're facing in our personal lives or in the world,

love is the answer. The universe makes no mistakes. Every experience is unfolding for the highest and best for the world at large. When we live from the understanding that love always wins, we consciously see how love is always unfolding before us.

Upcoming Opportunities

Are you interested in contributing to your CSLSG community in a NEW way? You are invited to consider these two upcoming ways to contribute to our unfolding future:

*** Bylaws committee** - We will be forming a short-term committee to refine and update the bylaws that govern our Center, in alignment with principles and current practices.

*** Core Council** - By state law CSLSG's Core Council can have 5-7 members. We currently have 5, two of which are ending their second terms in January. We will at least need to add two replacements; and we are considering expanding to a full contingent of seven. We invite you to seriously consider applying to serve on the Council, which is the leadership team, including Rev Joe, that keeps all things moving logistically, financially, etc. Terms are three years and members can serve a maximum of two terms. Foundations class is required; sign up for above class if you have not taken it previously.
