**Leaning Into Imperfection**  
**Week of July 14th**

**Unity and uniformity are not the same thing. No two blades of grass are alike... incarnated within each one of us is not only a divine Spark, not only an incarnation of the living Spirit of the Cosmos, but a unique presentation of the Cosmic Whole, if we can judge the Unknown by the known.**

*Leaning Into Imperfection*

This week, we delve deeper into the concept of embracing imperfection as a transformative shift in perspective. We'll explore the profound possibilities that arise when we shift our perception and recognize that everything in existence, including what we perceive as flaws, is divinely perfect. By leaning into imperfection, we open ourselves up to new possibilities and discover a greater sense of acceptance and appreciation for ourselves and others. In this way, embracing imperfection allows us to cultivate self-acceptance and deepen our connection to the divine presence within us and all around us.
