March 24th
New, Now... What's Next?

We're awakening, in a new way, to the realization that we're bigger than we thought we were. Now what are we going to do about it? How do we carry that awareness forward into a larger expression of Good in our own lives, the lives of our spiritual communities, our larger community, and our planet? Grounded in the Truth of who we are and our Vision of who we are becoming, we let that Vision and that Truth inform our every thought, word, and action. Knowing that we are "about our [Creator]'s business" (Luke 2:49), we consciously, lovingly, creatively get to work implementing a world that works for all.
