Power Begins Within

Power can be a triggering word. A trigger because each of us has differing experiences with power. We can reduce the triggers by doing our inner work to create a clean relationship with our personal power. We begin by going within to discover our beliefs around power. Acknowledgement, Forgiveness, Compassion for ourselves and others, and our spiritual practices, are the tools we'll use to begin healing our relationship with power.

We Need YOU!

As CSLSG expands into our Vision of a vibrant, inclusive, purposeful Center and community, we are in need of YOUR HELP. Remember that saying: many hands makes light work? It will take all of us to bring our vision into fruition. Think about your skills and what you would like to offer.

Some of the possibilities that we know SO FAR: sound tech, helping in kitchen, greeter at the door, setup, cleanup, sacred reading online, volunteer coordinator, musician/singer... and more will unfold, we know (youth programs, community outreach). Especially as we are meeting more often or ALL the time!!!

Email stgeorgecsl@gmail.com, revjoe@cslstgeorge.org, or anyone on Core Council to discuss the possibilities. Or talk to us in person!!

We are still looking for someone to fill Gracie's expansive shoes!! Website and Social Media Coordinator requires knowledge and experience with social media and a commitment of approximately 10-15 hours a month.

We offer a \$150 monthly stipend.

SWITCHPOINT Volunteering

The Switchpoint meal service project continues! We have been serving during the months of August and September. Participating members have enjoyed the experience. Switchpoint is very appreciative of our efforts. We have two dates in October and could use some additional help... October 11 and October 22.

IF YOU'D LIKE TO BE ON THE LIST, EMAIL Tim McGeachy tim.mcg10003@gmail.com
