Stay after the program to help unload! No RSVP needed — all are welcome.

Switchpoint has the honor of being one of the first organizations in Utah to receive a major food delivery this week as part of The Church of Jesus Christ of Latter-day Saints' America 250 effort. A semi truck packed with thousands of pounds of high quality food is arriving at our pantry to help feed local families in need.

No RSVP needed. If you're able, we would love for you to come help unload the truck. This kind of support showing up at our doors is a powerful reminder of the neighbors helping neighbors spirit that makes our community special. Hope you can join us to mark the moment.
