*March 30th  
Blossoming in the  
Swaying*

In the face of the ongoing ebb and flow of life's changes, how can we flourish and bloom? How do we find comfort in discomfort and be true to the truth of who we are? This week we explore how being true to who we are opens the door to being open at the top and blossoming in the swaying.

### **A Change in Direction**

Change your thinking, change your life  
Although all you see is toil and strife  
You have to look deeper, you have to try  
To find the good things as life passes by  
If the home is a battleground, then go find peace  
Discover a territory where you are at ease  
The dollars seem short, but know deep within  
The earth is abundant wherever you've been  
The sand on the seashore, enough air for all  
Are showing the nature of God's loving call  
See with your mind a condition of plenty  
Go work with confidence to life as it's meant to be.  
Your wholeness assured from the time of your birth

Through sickness and troubles remember your worth  
Affirmations and prayers work wonders you see  
Use them each day and how happy you'll be  
Now you know how to think in a positive way  
And life is much better day after day
