*Oh My!!*

When we look more deeply into these ideas of the mundane, sacred, and profane, we find that there is truly no difference or separation in them. In a watercolor painting, water is added to the different colors so they mix and blend, becoming new colors all together. Similarly, when the water of our consciousness is mixed with all of these various aspects of life, we realize that everything is the Divine expression of an Individualized Spirit.

## **NEXT IN-PERSON SUNDAY SERVICE!**

**December 10th, 11:00am**

**While we're waiting** for Divine timing to bring us our own special place and to relocate Rev Joe and his family, let's create the social connection that we are all so hungry for.

**YOU can help.**

Want to lead a hike, organize a game night, plan a picnic?

Dream up what you would like to do and let us know. We'll put it on the Center's calendar and advertise it in the newsletter and on our Facebook page.

*We're also creating a committee to coordinate social events - we'd love your help. Reply to this email to join it or get a gathering going.*

## **Core Council Vacancies**

In December we will be accepting applications to fill upcoming open positions on the Core Council. Please consider stepping into a fun and meaningful opportunity to serve your CSLSG community.
