*April 14th
The Other
In Love*

People are lovely when they are kind, loving, and just how/what you want them to be. And they are also fickle, opinionated, and judgmental. They just can't help themselves. That's when everything gets screwed up, right? We want to blame others for things going wrong, when in fact, it's our judgments of others that get in the way. As you apply gentleness to your interactions with others, you can truly allow them to be their gentle selves. And from that place you can both make clearer decisions for your own lives.
