Got Me Hypnotized

Songwriter Bob Welch, while he was with Fleetwood Mac, wrote a song called "Hypnotized." The last verse closes with: "Now you know it's a meaningless question to ask if those stories are right, 'cause what matters most is the feeling You get when you're hypnotized." Don Miguel Ruiz refers to it as "domestication." New Thought refers to it as "the collective unconscious." It is the collective dream in which we are all so enmeshed that we don't even know it's a dream. All around
