

We are an open, loving, and inclusive community that supports thinking creatively and living a deeply spiritual life.

A vibrant, multi-colored aurora borealis or nebula background, featuring swirling patterns of red, orange, yellow, green, and blue against a dark, starry space. The colors transition smoothly from red on the left to blue on the right, with yellow and green in the center. The overall effect is ethereal and spiritual.

Speaker*

**Rev. Raymont

*Pain Pushies Until
Vision Pulls*

Pain acts as a pushing force that compels us to address discomfort or challenges, while the vision of a desired outcome serves as a pulling force that inspires us to move forward and make positive changes in our lives. By recognizing the interplay between pain and vision, we can harness their combined influence to propel personal growth, resilience, and well-being.
